

Presidential Awards for Excellence in Mathematics and Science Teaching

CALL FOR NOMINATIONS

The Presidential Awards for Excellence in Mathematics and Science Teaching (PAEMST) are the highest honors bestowed by the United States Government specifically for K-12 mathematics and science teaching. Awardees serve as models for their colleagues, inspiration to their communities, and leaders in the improvement of mathematics and science education. Since 1983, more than 4,400 teachers have been recognized for their contributions to mathematics and science education. Up to 108 teachers are recognized each year.

Presidential Awardees receive a citation signed by the President of the United States, a trip for two to Washington, D.C. to attend a series of recognition events and professional development opportunities, and a \$10,000 award from the National Science Foundation.

WHO CAN NOMINATE?

Anyone – principals, teachers, parents, students, or members of the general public – may nominate exceptional mathematics and science (including computer science) teachers.

NOMINATION DEADLINE
April 1, 2016

WHO CAN APPLY?

Elementary school teachers (K - 6th grades) can apply this year. Secondary school mathematics and science teachers (7 - 12th) will be eligible to apply during a future cycle.
